Also asking why there was no regular meeting for November..

Something is wrong with a city if you close down for 1 or 2 sick staff members. Are they all sick?!!!!

Yes, they are. All, but one member of the staff that operate city hall are sick with a variety of illnesses. The contagion level is being evaluated.

We will be scheduling a special session as soon as possible.

So Darren, who did you give access to your email? You talk about yourself in the first person? I take it Attorney Hodges or Rhonda has access to your email and are telling you what to do.

Why the recall? Shutting down all of City Hall again.

You can grant the special session that myself, Delores Spence, and Mark Beattie requested 45 days ago and in session for an Urgent City Financial Status as we are operating against the Texas Local Government Code and violated Truth and Taxation.

I expect an answer from YOU not your posse.

Mr Beattie
