This is notice to the council, to the exiting Mayor Darren Evans, Mayor Elect Delores Spence, and to the Administration of my OPPOSITION to a Special Election at the expense of \$3,000 plus tax dollars. This is money that can be used desperately on the roadways.

Mayor Elect Dotty Spence, should be sworn in first, so that she may move forward with filling of the other vacated seats. The first, being herself place 5 and appoint those registered voters, who wish to be placed on council. This practice has been done for over a decade. There will NOT be 2 vacant seats to require an election, as you are all aware, when done in this manner.

TML has given advisement on this issue.

There are many citizens who have spoke out in regards to this issue and DO NOT WANT that money spent on a special election, and want it spent on, if anything, the major thoroughfares of Morris and Maria.

A response to this issue is requested as a priority.
