Mayor Darren Evans
City Manager/Police Chief Rhonda McKeehan
City Secretary, Patricia Pendergraft
Citizens of Hawk Cove,

In regards, to the calling of a Special Election for places 3 and 5. I have made my position known via, emails directly to the City Administration and Mayor Evans, which were also publicly posted on social media.

Based on legal guidance and advisement, by 2 Municipal Law Attorney's who are specialized in the field. Texas Municipal Law Attorney, Amber Mueller, of the Texas Municipal League, in which our taxes pay the premiums to the Texas Municipal League for legal guidance and Robert Hager, Municipal Attorney, of Nichols, Jackson, Dillard, Hager, & Smith, Law Firm, and in consideration of the deteriorated streets that have become impassable and causing destruction to our citizens vehicles.

I vote NO for the calling of a special election and FOR, the decade long practice by the City's Administration, most recently 5/31/23 when there were 2 seats due to death and resignation, to APPOINTMENT for place 5 and 3. I ask that ALL funds that were to be used for the calling of a special election be redirected to our main thoroughfare streets of Morris and Maria and that effective maintenance such as, grading and the filling of grade appropriate rock be filled not "Base Rock" in the deep craters that we have, as soon as possible.

Sincerely,

Rebecca Bernardi
