Please call special session for Friday, October 3, 2025 or Saturday, October 4, 2025 at 2 or 3pm, (which ever is convenient for all council members to be present) to ratify tax rate of .774139 per attached Texas code summary. Also to discuss, consider and act on drafting an ordinance to amended budget for 2025-2026 fy. I am requesting no other agenda items for new or old business at this meeting as the full attention needs to be on these items.

Thank you
Mayor Spence

What if a city does not adopt a property tax rate by the deadline?

If a city fails to adopt its tax rate prior to the deadline (September 29 or 60 days after receiving the certified appraisal roll), then by default a city's tax rate is established as the lower of the effective tax rate for that tax year or the tax rate adopted by the city the preceding tax year. TEX. TAX CODE § 26.05(c). A city council must ratify the default tax rate before the fifth day after it is established. TEX. TAX CODE § 26.05(c).
