RE: RUS-Rural Development Loan/Grant Application
(Confidential Family Income Survey)

Dear Customer:

Having been established as a Water Supply Corporation under the laws of the State of Texas, the City of Hawk Cove has applied for a loan/grant from Rural Development (formerly Farmers Home Administration) in the amount of \$ 2,282,500.00. The funds will be used for WATER/SEWER project.

To qualify for the GRANT FUNDS our community must conduct a CONFIDENTIAL FAMILY INCOME SURVEY. To protect and insure your privacy, the City of Hawk Cove has contracted Community Resource Group, Inc., in Austin, Texas, to conduct and tabulate this CONFIDENTIAL Survey. Neither the WSC nor the board members may review or have access to any of the information you provide in the CONFIDENTIAL survey.

It is important that you complete and return the survey form to Community Resource Group, Inc., in Austin, Texas. A high percentage rate of returned forms must be achieved in order for the survey to be acceptable by Rural Development. Therefore, it is extremely important that ALL customers respond before October 31, 2003. Your prompt action is needed so that this WSC can get the most allowable GRANT and the LOWEST PERCENTAGE RATE possible and in turn keep the water rates as low as possible.

If you have any questions regarding the purpose of this survey, it's CONFIDENTIALITY and how "median household income" level relates to this grant, please feel free to contact me at 903 447-5330 or any of our board members.

Very Truly Yours
